

***The NEW Bowler: Trend Conscious Designed Protection
from Acme Made®***

Dear customer

Women make up the fastest-growing segment of digital SLR (single lens reflex) camera buyers, and they want great looking camera bags that provide superior protection. ***The Bowler***, new from Acme Made, doesn't sacrifice looks for performance, and does double duty as both a camera bag and a purse.

Made with the superior construction that all Acme Made products are known for, the Bowler is colorful, durable, and sized to fit most DSLR cameras.

Features:

- **Materials** are high-quality synthetic leather, tricot and YKK zippers
- **White handles and trim** provide bold contrast and the dual tapered handles lay comfortably in the hand
- Hidden side **accessory pockets** hold memory cards, cleaning cloths, and other necessities
- **Soft tricot lining** allows cameras to slide easily in and out while providing superior protection for equipment

- Exterior **accessory pockets** hold essentials and **hidden loops** can attach a shoulder strap
- **Dual zippered top-flap opening** provides a quick and easy way to open and close the bag
- **Padded adjustable divider** can be moved to accommodate camera and accessories
-

Acme Made specializes in designer business cases, totes, laptop cases and accessories.

The Bowler is available at www.acmemade.com and at Best Buy stores.

You can see the entire collection at www.pr-foto.no
